Kesimpulan

1. penilaian oleh wine tester terhadap wine dapat di inidikasikan dalam bentuk point yang dimana point tersebut dampak berdampak pada harga wine di satu profinsi. semakin tinggi point yang di dapatkan maka hal tersebut berkolerasi dengan harga wine.

2.jika di lihat dari persebaran wine di dunia benua afrika dan asia masih jauh tertinggal di banding benua eropa dan amerika, maka benua asia dan afrika harus meningkatkan kualitas wine mereka agar pamor industry wine mereka tidak tertinggal

3. dari beberapa orang pengulas ada dari mereka yang berfokus pada 1 atau 2 provinsi, christina pickard, jim gordon, virginie boone fokus pada 2 provinsi dan carrie dykes berfokus pada 1 provinsi.

4.provinsi dengan average harga tertinggi dengan setidaknya memiliki 10 jenis wine berada di burgundy dengan average price 71.06

5. negara dengan average price tertinggi berada di swiss dengan average price 85.29
